The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-759-3436 or visit <a href="http://www.hap.org">http://www.hap.org</a>. Important Questions	Answers	Why This Matters:			
What is the overall deductible?	<b>\$500</b> individual / <b>\$1,000</b> family.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by family members meets the overall family <u>deductible</u> .			
Are there services covered before you meet your deductible?	Yes. Emergency Services, <u>Urgent</u> <u>care</u> , <u>Emergency Medical</u> <u>Transportation</u> , Lab Pathology, Radiology, Chiropractic, Vision Hardware, Office Visits, <u>Preventive</u> <u>services</u> , <u>Rehabilitation Services</u> , Pharmacy	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.			
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.			
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Out-of-Pocket Limit: \$2,000 individual/ \$4,000 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> s until the overall family <u>out-of-pocket limit</u> has been met.			
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover. All other cost share accumulates unless otherwise specified in Plan Documents.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.			
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="www.hap.org">www.hap.org</a> or call 1-800-759-3436 for a list of <a href="mailto:network">network</a> <a href="provider">provider</a> s.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plans network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.			

Important Questions	Answers	Why This Matters:		
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	Written <u>referrals</u> are not required for <u>specialist</u> visits within the member's assigned <u>network</u> for selected services. <u>Referrals</u> or oral approvals are required in other instances. Further information on the <u>referral</u> process can be found at <u>www.hap.org</u> .
